**About Your Statement and Financial Summary**

Registered products (RRSPs, RRIFs, TFSA's and FHSAs) have been separated from non-registered products (chequing, savings, loans, and mortgages) for purposes of statement reporting. If you hold registered products, you will receive a statement for them annually.

The Financial Summary section of this statement only shows balances for accounts reported in this statement. Additionally, if an account has a \$0.00 balance, it will not display in the Financial Summary.

Note that due to fluctuating exchange rates, US funds are expressed in US dollars.
