If we do not receive payment of an amount due on your account by the specified required payment date, it will be subject to a late payment charge of 2% per month. This late payment charge will accrue on a daily basis and will be calculated and compounded monthly on the outstanding amount (26.82% per year) from the date of the first bill on which it appears until the date we receive that amount in full. You agree that we can charge any unpaid and outstanding amount, including any late payment charges, on your account to your credit card, bank account or any other payment method pre-authorized by you for payment of our charges.
